

The Moondah Brook vineyards were established in 1968 north of Perth, renowned for generous climate and rich soils. Today, Moondah Brook is a contemporary range of wines that reflect the philosophy of allowing varietal character to shine. With fruit sourced from premium vineyards, the wines are a true expression of Western Australian varieties. Always enjoy wine in moderation.

**VERDELHO**

Showing intense pineapple, stone fruit, lemon, lime and grapefruit flavours this is a fresh, elegant wine that will benefit from medium term cellaring. A pale straw colour in the glass, it has a lively citrus bouquet complementing the tightly structured palate and crisp, dry finish.

**CHARDONNAY**

Rich and golden with deep straw hues, the wine has a bouquet of ripe peaches and cashews with spicy cinnamon added by the oak. Intense tropical flavours of peach and pineapple are balanced by savoury yeast, making this a full-bodied yet fresh wine.

**UNWOODED CHARDONNAY**

This fresh, elegant wine brims over with vibrant tropical fruit, ripe peach and zesty citrus flavours. Having no oak treatment, the light, fresh intensity of the natural fruit is allowed to finish crisply and cleanly on the palate.

**CHENIN BLANC**

A medium-bodied wine, it shows a rich array of fresh pineapple, citrus and passionfruit aromas with just a hint of vanillin. On the palate, the intensity and fine lemon acidity of the fruit is balanced by its soft, creamy textures.

**CABERNET ROSÉ**

Fresh and vibrant, the wine abounds with juicy raspberry and blackcurrant flavours that finish crisply on the palate. These are complemented by lifted aromas of violets and rose petals and a vivid magenta colour.

**SHIRAZ**

Spicy berry and plum fruits with cloves, vanillin and cracked pepper aromas hint at the tasting experience for this wine. With fine tannins and a soft, sweet core, it shows balanced flavours of chocolate, aniseed and black fruits that linger for a long, persistent finish.

**CABERNET SAUVIGNON**

Matured for eighteen months in a combination of new and old oak, this soft, opulent wine has a delightfully silky texture on the palate. Elegantly structured, it shows persistent ripe currant and berry flavours from the similarly enticing bouquet with additional hints of vanillin, oak and spice.

**MERLOT**

The new Moondah Brook Merlot is a fresh, vibrant wine. Hints of spicy pepper, anise and cardamom are woven through juicy flavours of blackberries, mulberries and plums. A classic Western Australian wine that's sure to impress. Pick up a bottle at any good wine shop or liquor outlet.
